Early Career Investigator (ECI): An individual who is within a time span of up to 8 years from the date they obtained their PhD/doctorate (full-time equivalent).

The applicant must make an oral/poster presentation at the conference in question and must be listed in the official event/conference programme. The main subject of the oral presentation / poster presentation / speech at the approved conference must be on the topic of the Action and must acknowledge COST.

The calculation of the financial contribution for each Conference Grant must respect the following criteria:

- Up to a maximum of EUR 160 per day can be afforded for accommodation and meal expenses.
- Up to a maximum of EUR 500 can be claimed for the conference fees to be incurred by the selected Grantee.

The Grantee has 30 calendar days from the end date of the Conference in question to submit a scientific report to the Action Chair (or Vice-Chair if the Action Chair is affiliated to the Grant Holder Institution) and the Action's Grant Holder.

The submission of the report is mandatory or the Grant is cancelled. Late submission, beyond the deadline, can also lead to the cancellation of the Grant. A scientific report template is available on-line here: http://www.cost.eu/ITC_conference_grant_report_template.
